

# New Year Gathering

2015

Video Presentation Gathering

Our new path begins.  
Our new time begins.

The future  
Awaits us  
With open arms  
Like the open sea  
Without obstruction  
As far as the eyes can see.

Therefore  
Set aside  
All limitations  
Express all that you aspire  
Envision the blueprint anew  
With all your might.
