

2015 New Year Gathering

Our new path begins.
Our new time begins.

The future
Awaits us
With open arms
Like the open sea
Without obstruction
As far as the eyes can see.

Therefore
Set aside
All limitations
Express all that you aspire
Envision the blueprint anew
With all your might.

The New Year Gathering is an event at which individuals gather at the beginning of the year to re-examine their aspirations; and Keiko Takahashi will provide a lecture addressing the new year. In addition, Divine Truth cards, inscribed with the Twelve Bodaishin prayers composed by Keiko Takahashi, will be offered to each participant to serve as guideposts for the New Year. Many attendants from past gatherings have expressed that they always receive cards appropriate for their situation at that time. The Gathering is open to the public; non-members are welcome to attend.
